

## 2007 Roger Simpson Catamaran

Price: \$225,000

Elixir is a 2007 Roger Simpson design fast cruising Catamaran. Modern lines with Catamaran favourites like forward tramps, stepped access transoms and a beach landing forward ladder incorporated. Experienced original commission owner specified simplicity for a potential commercial venture on Lake Taupo. Although this didn't eventuate, Elixir has benefited from well-conceived simple systems that make her suitable for single handed sailing and easy maintenance. GRP (fibreglass) composite hulls and wing deck, final designs by High Modulus (Auckland), built in Taupo to survey standards (but never put into commercial survey). 8 berths (2 x doubles), big single head and shower, galley down, 2 outdoor seating areas, 12v fridge(new) and LPG stove, plenty of storage. Central helm station with captain's chair, GPS, depth, wind sensor, auto helm, 2 x 15hp outboards (less than 8 years old), 312w solar panel, dinghy davits, 2.9m dinghy, Custom Mike Pearce Boatbuilders hardtop (less than 6 years old), electric drum - anchor winch and electric main halyard winch, all other winches are 2 speed, brand NEW (Willis Sails) big roachy main, self-tacking jib and a big spinnaker in a sock (simple but effective sail plan) Sails easily single-handed. Elixir's oversized rigging and well-built hulls, easy to manage engines and systems on board will equally suit the novice and experienced sailors. This is a wonderful vessel for cruising NZ waters for weekends and long stay holidays. Comfortable liveaboard potential too and a lot more fun than anchored to a section! Elixir has completed annual maintenance incl engines serviced and is ready to go. Ian Duncan on 021 121 9524, or email [ian@parkermarinegroup.co.nz](mailto:ian@parkermarinegroup.co.nz)

## Description

**VESSEL MAKE AND MODEL:** Roger Simpson Fast Cruising Catamaran

**LENGTH OVERALL:** 11.4m

**BEAM:** 6.8m

**DRAFT:** 1.2m

**TOTAL NUMBER OF BERTHS:** 8

**DESIGNER:** Roger Simpson

**BUILDER:** Larry Grigg

**YEAR LAUNCHED:** 2007

**MOORING/MARINA BERTH INCLUDED:** No

**ENGINE MAKE & MODEL:** 2 x Honda BF15D – 4 Stroke electric & manual start with power tilt.

**ENGINE HORSEPOWER:** 15hp

**ENGINE HOURS:** Less than 200 – But cannot be confirmed

**ENGINE COOLING:** Raw water cooled with onboard fresh flush system

**FUEL TYPE:** Petrol

**FUEL CAPACITY:** 20ltr portable tote tank, plus spare portable 20ltr tank

**CRUISING SPEED UNDER POWER:** 5 Knots

**MAX SPEED UNDER POWER:** 6.5 knots

**TRANSMISSION:** Outboard

**PROPELLOR:** 3 Blade

**HULL MATERIAL:** Foam composite hulls and wing deck, glassed ply/cedar topsides

**CONSTRUCTION:** High Modulus specified – Topsides GOP

**ELECTRICS:** 2 x AGM House batteries 12v, 1 x Shared start Battery. 400watt portable inverter.

**ELECTRONICS AND NAVIGATION:** Combination of Navman and Raymarine, chartplotter, depth, speed, wind indicator.

**ENTERTAINMENT:** Bluetooth radio (kenwood)

**COMMUNICATIONS:** VHF

**WATER CAPACITY:** 100ltrs.

**WATER SYSTEM:** Pressure fresh water, HW – LPG Califont, Manual saltwater pump at galley.

**ACCOMMODATION:** 2 x double in starboard hull, 4 x single in port hull.

**HEADROOM:** 1.9m+

**HEAD/S:** 1 x Elec head, 80 ltr holding tank

**SHOWER/S:** 1 x Interior h/c shower

**GALLEY:** 2 burner with oven (lpg), Generous pantry.

**FRIDGE:** Yes, 12v
