1994 Riviera 3300/80

\$175,000

They say burning the midnight oil is about hard work — but this Riviera 33 turns it into hard play. Meet Midnight Oil — a 1994 Riviera 33 that's proof good things happen after dark. Lovingly maintained, stylishly aged, and ready to cruise or fish till dawn. Midnight Oil isn't just a boat — she's a mood, a memory, and a promise of adventure. Crafted by Riviera in 1994, she embodies the golden era of New Zealand boating — where strength, style, and seaworthiness came standard. Her lines are timeless, her build unmistakably Riviera: solid, confident, and ready to handle whatever the ocean sends her way. Step aboard and you'll feel it — that quiet hum of potential beneath your feet. Twin Cummins diesels deliver smooth, effortless cruising, while her well-designed flybridge and spacious cockpit make her equally at home chasing game fish or hosting family and friends on a lazy summer evening.

But what really sets Midnight Oil apart is her spirit. She's for those who can't resist the pull of the horizon — who find peace in open water, laughter under starlight, and freedom in every wake. She's for those who still believe that the best stories don't happen on land. If you've ever dreamed of a boat that blends performance, comfort, and that unmistakable Riviera charm — Midnight Oil is waiting. Light her up and let your next chapter begin.
