

1999 Genesis Profish Sedan

Price: \$159,000

1999 Genesis Profish – Power, Prestige & Pure Kiwi Adventure

There are boats that get you out on the water... and then there are boats that ignite your passion for it. This stunning 1999 Genesis Profish is firmly in the second category.

Built with the legendary craftsmanship Genesis Marine became known for, and designed by respected naval architect Eade, this sleek and capable 10.85m cruiser delivers the perfect combination of offshore performance, luxury comfort, and head-turning style.

From the moment you step aboard, you can feel it — this is a vessel designed for people who love the sea.

Powered by a proven 310hp Yanmar 6LP-STZE diesel, she cruises effortlessly at 16–17 knots and reaches up to 20 knots when you want to open her up and leave the shoreline behind. Whether it's chasing gamefish offshore, island-hopping with friends, or escaping for a quiet overnight retreat, this Genesis Profish does it all with confidence and class.

The spacious cockpit offers the freedom and functionality serious boaties demand, while the inviting interior provides genuine comfort for extended adventures. With accommodation for family and guests, a generous freshwater capacity, onboard shower and head, plus fridge and freezer facilities, she's equally suited to weekend cruising or spontaneous coastal escapes.

And when the sun drops low and the sea turns glassy, this is the kind of boat people notice. Her sleek profile, timeless lines, and commanding presence make her stand apart in any marina.
