

**9.5m Wavecrusher Sportfisher**

**Price: \$125,000**

This is a stunning Ian Waters built, 9.5m Wavecrusher and she has been and is, beautifully maintained!

She has an open plan cabin design with full headroom. Very spacious!!

Brand new carpet and vinyl floors.

The Galley includes stainless steel sink, 2 burner stove with oven and grill, and a fridge and freezer.

A separate toilet and shower are on the Port side.

The Volvo 170hp diesel engine drives a stern leg (serviced annually (last engine service May 2021) with full refurbishment of the leg completed in October 2021), cruises at 13 - 14 kts with a 17 - 18kts top speed.

The Cockpit includes sink with shower and boarding platform.

A single station hard top flybridge with Raymarine GPS, depthsounder, autopilot and chartplotter.

Flybridge seats 3 comfortably.

Solar and shore power with new electrical certification in February 2022.

Also included are a Muir winch, 2 x anchors, 15 meters of chain and 40 meters rope (both new)

A Fusion stereo system, 12v television, Webber Baby Q BBQ and an inflatable Maxon dinghy with 2hp yamaha outboard add to the enjoyment of this vessel.

She was last out of the water in October 2021 for antifouling, full polish, and full refurb on leg.

4 bunks are in the forward cabin, bottom bunks can convert to a double.

Seating in the saloon also pulls out to make a double bed. Sleeps 7.
