

2022 Jeanneau NC37

Price: \$770,000

### **2022 NZ New Jeanneau NC37**

There is good reason why the NC37 was nominated for the 2019 European Powerboat of the Year. She embodies the modern design trend of large, light-filled spaces with classy accessories and fittings. With her generous accommodation and performance, she's an ideal option for cruising New Zealand's coasts. Smart features like a deck access pilothouse door at the helm and sky roof in the salon. This is an opportunity for a new boat buyer to secure a one owner launch with very little use to date. She hasn't even been given a name yet, so you can still be first to christen her!

A lovely Jeanneau NC 37, the boat was purchased brand new and current owners took delivery in NZ, in 2022. The vessel has only done 80 hours at time of listing, and has just had a fresh service, also had new anti-foul applied. She is in brand new condition and still smells like new, very well looked after and cared for. Cockpit canopy recently upgraded, also front glass shade screen cover.

The Jeanneau NC 37 is one of NZs most popular Jeanneau models and suits local conditions admirably. Powered by twin Volvo D4-270 diesel engines. This model features two double cabins, and a versatile storage or convertible sleeping cabin, comfortably accommodating up to six guests.

Twin Inboard, Displacement: 6832 kg, Beam: 3.59 metres (11 Ft 9 In) Draft: 1.07 metres (3 Ft 6 In) Fuel Capacity: 650 litres

Features: Trim level Specification Jeanneau "Premiere" - Interior woodworks in Walnut - 2022 Raymarine electronics pack - Inverter 12/230v 2000Va - Additional battery 10AH - Bow thruster - Mooring pack -3 00 litres water capacity - Teak on the Aft platform and cockpit - 2 x 12v Refrigerators 78litres ea.
