

1998 Graham Pelham Sedan

Price: \$85,000

Beautifully designed and built by Graham Pelham and launched in 1998, Dream Catcher is the perfect fishing platform or family cruiser. She has been loved and well maintained by her current owners and is ready for her next adventure. She is powered by a 180hp Mercruiser with only 1,100 hours run time, and cruises at 11 knots. The engine has been serviced regularly by a local boat mechanic. Dreamcatcher has a roomy interior with a V berth forward, large open saloon area with an extendable table, helm station and well laid out galley with near new oven and fridge/freezer. There is a separate sealed fiberglass shower/head room. The cockpit has seating, a sink with hot/cold water and a separate wash down hose as well as canvas covers to enclose it. Aft of this is a boarding platform making access very easy. Under the floor is huge storage area and easy access to the engine.
