FOR SALE:

Are you looking for a vessel with a reputation for catching fish – “Outa Here” is that boat.

No pretence or frilly bits here. She is a fishing vessel that can sleep up to 8 people in comfort and provide all the things needed for a nice stay onboard. **Outa Here** was launched in 1974 and has been maintained by her well known current owner for years, but the time has come to hang up his skippers hat and pass the helm to another skipper who will continue to put her through her paces, and care for her as she will care for them.
