

1894 Logan Cutter

Price: \$27,000

YVONNE

This is no ordinary sailing vessel; Yvonne is an 1894 Cutter designed and built by the Logan Brothers. This **LADY** is steeped in maritime history. She was launched in 1894 and boasts tales from her days of coastal racing. One such tale tells of the 1909 Christmas Eve race, the weather turned sour, and Yvonne leapt across the Moles at the entrance to Dunedin harbor! The original logbook by Professor RJ Scott will be passed on to the new custodian. Yvonne has been very well maintained and upgraded and is a strong sturdy vessel; she needs to be seen to be appreciated. So, if you would like the opportunity to own a piece of New Zealand's maritime history, then this is your chance.
