

## 2006 Alloy Cats Designed and Built Powercat

\$195,000

Wakarua is a very well-maintained, custom built Aluminum Catamaran, built by Alloy Cats, in Mt Maunganui. She has only been used in fresh water, on Lake Tarawera.

Wakarua has twin 130hp Evinrude Etec Engines, which were fitted as an upgrade in 2016, having had minimal use. The twin engines provide efficiency, security, and maneuverability.

A full diagnostic engine report was performed on 26 Feb 2022, showing zero faults, and is available upon request.

Wakarua was built and used for an owner/operator private charter and was surveyed for 30 PAX plus 4 crew but has been out of survey for the past 4 years and is reluctantly for sale due to health issues.

### **Description**

Model/Brand: Alloy Cats Leisure Cat 10m.

Type: Power Catamaran

Length LOA: 10m

Beam: 3.6m

Draft: 0.4m

Designer: Alloy Cats

Builder: Alloy Cats

Launched: October 2006

Engines: Twin 130hp Evinrude Etec Outboards  
Fuel type: Petrol  
Fuel capacity: 120ltrs
