

## 2001 Bruce Roberts Trawler Style – Flybridge Launch

Price \$275,000

### Kahurangi — A Vessel Worthy of Her Name

Some boats are built to impress.

Others are built to endure.

Kahurangi is both.

Named for the Māori word meaning precious or prized, Kahurangi is a 13.6-metre Bruce Roberts displacement trawler-style flybridge launch that embodies everything serious cruising people value: strength, range, comfort, and quiet confidence. This is not a weekend toy — it is a proper passage maker, designed to take you farther, safer, and in far greater comfort than most boats ever will.

At her heart beats the legendary 215hp Perkins Sabre diesel — an engine renowned worldwide for reliability, efficiency, and longevity. It's the kind of power plant owners trust when the coastline falls away and the horizon becomes the destination. Smooth, economical, and proven, it delivers the reassuring cadence of a vessel built to go the distance.

Step aboard and you immediately feel it: space, stability, and purpose. Kahurangi comfortably sleeps eight, making her ideal for extended family cruising, long-range adventures, or hosting friends in genuine comfort.

Her trawler displacement hull provides an easy, sea-kindly, motion underway and exceptional fuel efficiency — perfect for exploring coastlines, islands, and remote anchorages without rushing the journey.

The flybridge offers commanding visibility and a wonderful social helm — a place to watch the world open up ahead while the miles slip quietly beneath you. Below, the accommodation and living spaces are practical, welcoming, and designed for life aboard, not just overnight stays. Everything about Kahurangi speaks of thoughtful design and real-world usability.

This is a vessel for people who understand boats.

For those who value range over speed, substance over shine, and confidence over compromise.

Kahurangi is not just a boat — she is a floating home, a trusted companion, and a gateway to freedom.

Vessels of this calibre, size, and pedigree are increasingly hard to find — and even harder to replace.

If Kahurangi speaks to you, don't ignore that feeling.

Contact Travis Costello today to learn more and discover why this precious vessel may be the most important boat you'll ever own. Phone: 0272215901 Email: [travis@parkermarinegroup.co.nz](mailto:travis@parkermarinegroup.co.nz)

**Wheelhouse with Side Door Access**

**Main Saloon Area – Comfortable and Spacious**

**DESCRIPTION**

**VESSEL MAKE AND MODEL:** Displacement trawler style Waverunner

**LENGTH OVERALL:** 13.6M

**BEAM:** 4.2M

**DRAFT:** 1.2M

**TOTAL NUMBER OF BERTHS:** 8

**DESIGNER** Bruce Roberts

**BUILDER:** Taunton Marine

**YEAR LAUNCHED:** 2001

**LAST REFIT:** 2023 Hauled out and shed stored for a full below waterline refresh, back to bare metal then re epoxy painted & anti-fouled, May 2024 engine service & Anodes replaced

**MOORING/MARINA BERTH INCLUDED:** Might be considered

**ENGINE MAKE:** Perkins Sabre M215C

**ENGINE HORSEPOWER:** 215HP

**ENGINE HOURS:** 3789 Hours

**ENGINE COOLING:** Heat exchangers

FUEL TYPE: Diesel

FUEL CAPACITY: 1000L Stainless steel

CRUISING SPEED UNDER POWER: 7.5knts

MAX SPEED UNDER POWER: 9knts

ESTIMATED RANGE UNDER POWER: At 7.5knts 1L per NM (8LPH)

TRANSMISSION: Shaft through ZF 1.5 Gearbox

PROPELLOR: Four blade bronze

HULL MATERIAL: Steel

CONSTRUCTION: Welded on strong steel frames. Epoxy treated Steel deck & Hull with Aluminium flybridge fully insulated from superstructure, built to survey specifications

ELECTRICS: Genset, 2x 150w Solar panels, 2x house batteries, 2x start batteries, underwater lights

ELECTRONICS AND NAVIGATION: Ray Marine Autopilot 2022, Raymarine chartplotter & Fishfinder on 10" multi function display, Flybridge also has 10" Display, 12v Bow thruster, 4x 12V 110A house batteries, 1 x 12v 120A start battery (also runs bow thruster), 2023 Bosch 80A Alternator, Xantrex 1800w Inverter, 2x 300w Solar panels run through a Victron charge controller

ENTERTAINMENT: Fusion MS-RA70 Stereo with cockpit speakers, USB and 240v outlets

COMMUNICATIONS: VHF, AIS class B, GMW 406 EPIRB w/GPS

WATER CAPACITY: 1200L approximately

WATER SYSTEM: Polypropylene tank, HWC off engine 120L with 240V element

ACCOMMODATION: Reading lights, extendable dining table, infill for saloon table, seating for 8, Webasco diesel heater

HEADROOM: Approx 2m in saloon

HEAD/S: Electric head with 100L black water tank

SHOWER/S: 1 x Shower in cockpit, 1x full size separate Shower in head

GALLEY: Microwave, Caprice 4 Burner 3 in 1 stove, U shape with Blue Formica Benchtops, stainless full-size sink

FRIDGE: Approx 80L Front opening fridge

FREEZER: Large 110L approx top opening freezer

EQUIPMENT & SPARES: Engine filters, water pump impeller, fenders, docking and spare lines, SS boarding ladder, 6 x Rod holders, 2 x electric bilge pumps with auto float switches

GROUND TACKLE: 65M of 10mm chain, 33KG Rocna anchor

ANCHOR WINCH: Maxwell 2200 Windlass with helm & flybridge controls

SAFETY EQUIPMENT: , 6 x PFD lifejackets, flybridge lifering, 3 x 1KG dry powered fire extinguishers, fire blanket, heaving line, foghorn, EPIRB

EXTRA CHATTELS: 2023 cockpit flybridge cushions, 2023 Bimini, dodger & clears

TENDER/DINGHY: 2.8m Southern Pacific dinghy retubed 2024

OUTBOARD: 5hp Yamaha

Flybridge
