1995 Ron Given Catamaran

Price: \$185,000, including mooring

Step aboard this 1995 Ron Given designed 10.4m sailing catamaran and experience the perfect blend of performance, comfort, and craftsmanship. Ron Given is renowned for designing fast, seaworthy multihulls, and this vessel is no exception. With its lightweight construction and efficient sail plan, it delivers impressive speed and stability—whether you're island-hopping, coastal cruising, or embarking on extended offshore adventures. It's a boat that offers the exhilaration of performance sailing without compromising on safety or comfort.

This Ron Given 10.4m catamaran is more than just a boat, it's a gateway to freedom on the water. Whether you're chasing sunsets in the bay or planning a Bluewater voyage, it has the pedigree, design, and reliability to get you there with confidence. For sailors who value a proven multihull with a reputation for speed and strength, this vessel represents a rare opportunity to own a timeless design that continues to impress nearly three decades after its launch.
