Step aboard GOLDEN EYE and step into the sultry heart of summer.

Introducing this immaculate 2005 Sessa Dorado 36, a 12-metre masterpiece where Italian elegance meets sun-kissed adventure. She's the kind of vessel that turns heads at anchor, glides with confidence offshore, and invites you to slip into a world where days stretch long and warm... and nights shimmer with promise.

With her twin 240hp Yanmar diesels with only 1106 hours—she purrs like a contented lover and leaps like a predator when you push her forward. Smooth, reliable, and effortlessly powerful, she's built for family fun, lazy summer cruising, and those seductive weekends when the only plan is to disappear over the horizon. But don't let her soft curves fool you—this beauty has a proven catch record, a sport fisher with real bite. Her cockpit is wide, clean, and ready for action. Whether you're teasing marlin in cobalt blue water or hosting sunset drinks in a gentle evening breeze, she shifts from sensual cruiser to serious performer without missing a beat. Inside, she's all warm timber, soft lighting, and cool comfort—a place where swimsuits dry slowly, kids unwind happily, and adults... find their own reasons to stay one more night. She's immaculate. She's enticing. She's ready.
