

1987 Silverton 41

Price: \$110,000

The Silverton 41 is a popular value-priced flybridge cruiser known for its spacious layout, comfortable accommodations, and solid construction. It's a versatile vessel suitable for both fishing trips and leisurely cruising. The galley is located down three steps from the salon, maximizing space in the main living area.

And it gives direct access to the dining table fwd. The flybridge offers excellent visibility and comfortable seating for navigation and enjoyment of the surroundings. The boat's handling and ride are often described as smooth and enjoyable. The interior features are well-designed and constructed, with ample storage throughout. The boat is also noted for its ease of maintenance and overall durability.

Overall, the Silverton 41 is a well-regarded boat that offers a good balance of comfort, performance, and value, making it a popular choice for boaters seeking a versatile and reliable vessel. Contact our vendor's agent Travis Costello
