PARKER MARINE BROKERS

Part of the Parker Marine Group of Companies

1990 Genesis 320 European Fly bridge

Price: $89,000

Experience the joy of Coastal Comfort

Zahra is a Genesis 320 European series with flybridge. She offers the very social, open plan that all Kiwi boaties love on the express cruiser 320s incorporated with the choice of flybridge or saloon helm stations. A sought-after Genesis model that incorporates all the benefits of a much bigger Launch. Whether chasing game fish, cruising with the family, fast day trips or long stay holidays, this launch does it all. Both her original engines were replaced with preloved Volvo 150hp engines in 2023. The replacement engines were purportedly rebuilt but no supporting documentation is available. They have only run 10 hours since installation. Having twin engines provides precise maneuverability. Zahra can comfortably sleep 6 and she is very well equipped with big galley, ample refrigeration and loads of storage. Zahra's Hobsonville marina is also available at an additional price and the purchase of both boat and berth will be considered favorably by our vendors.

Please contact our vendors Sole Agent, Ian Duncan. He can show you aboard and walk you through the process of owning Zahra. Phone 021 121 9524 or email ian@parkermarinegroup.co.nz

Description
Type of vessel: Planning Launch
Length LOA: 10.9m
Beam: 3.5m
Draft: 1m
