

2021 Ron Given Powercat

Price: \$419,000

Spacious, practical, and economical. Cat-a-Tonic is a combination of glass-over-ply and composite foam sandwich construction, making her a strong and safe boat. Built by Hutcheson boatbuilders in Tauranga, and launched in 2021, she is very comfortable in a choppy sea and has proven to be an excellent fishing platform and great for family day and away trips. She sleeps four and could be upgraded to sleep six. At 10.4m overall length, with a 4.0m beam, there's plenty of space, with easy, safe access to the front deck. Cruises comfortably at 18 knots, with a max of 30.

Features include two hot-water showers, a very spacious galley with lots of storage space, a 1500w mains inverter, and excellent flow between the saloon and the cockpit. Plus: A bank of four 110-amp lithium phosphate house batteries.

Description

Ron Given Designed T9 Powercat

LOA: 10.4m

Beam: 4.0m

Draft: 1m

Berths total: 4

Designer: Ron Given

Builder: Hutcheson Boatbuilders
