

1972 48ft Oliver & Gilpin Sportfisher

Price: \$199,000

Like all precious Gemstones, Sapphire is a polished example of these classic Oliver Gilpin Sportfishers. She has just undergone an 8-month refit and repaint, with new carpet, galley flooring, varnish work, etc, etc. This beautiful vessel is now for sale, and I am extremely proud to be presenting her to the market for the first time in 20 years. Powered by twin 90hp Ford Dover diesels, she cruises all day at 8 knots and if you're in a hurry, you can push her to 11 knots. Don't miss this opportunity to own a real New Zealand designed and built classic. Please contact the Vendors Sole Agent, Mike Parker on 0272215901 or email travis@parkermarinegroup.co.nz
