

"WINDSWIFT"

A true classic from the design board of famous Boston designer John G Alden

A very pretty boat, presenting in very good condition - and a lot of boat at this price.

'Windswift' is design #550 & was built by Arnold France in Lyttleton and launched in 1941.

She has been lovingly restored by her current owner with a refit in 2014.

She is built with full length 1 1/4" Oregon on hardwood frames, and the refurbishment included being rewired, new switches / breaker panels, batteries, instruments, electric toilet and holding tank, new plumbing throughout. Plus new squabs and many other extras, complete hull paint before Christmas.

A very smart classic vessel, lying Whangarei

Length on deck: 33ft 8in or 10.26m, LWL 29ft 8in or 9.04m, Beam 10ft 4in or 3.15m, Draft 4ft 6in or 1.37m

Displacement 21,000lbs 9.525 tonnes

Boat code	WIN
Price	\$65,000
Type	Auxiliary Cruising Ketch
Berths total	5
Designer	John G Alden - Design No 550
Builder	Arnold France
Launched	1941
Last Refit	2014
	<i>Propulsion:</i>
Num. of engines	1
Engine type	Nissan
Power per engine	88 hp
Fuel type	Diesel
Fuel capacity	120L
Cruising speed	5
Max speed	5
Transmission	Hurth Hydraulic
Propellor	3 blade 18" Fixed
	<i>Build:</i>
Hull material	Oregon Full Length 1 1/4"
Construction	Full length Carvel over hardwood frames
Glassed over	No
	<i>Facilities:</i>
Electrics	2x 220 A/HR House Separate Engine Battery Charger D/C All rewired Wired for 240 vac shore power
Entertainment	Yes
	<i>Domestic</i>

Water capacity	150 Litres
Water System	Pressure
Accommodation	5
Head	Electric + holding tank
	<i>Communications</i>
Communications	VHF
	<i>Sailing</i>
Sailing instruments	Raymarine depth/speed
Sails	X5 Dacron G/C
Rig	Oregon New standing rigging 2014
Winches	.x4
	<i>Ground Tackle and anchors</i>
Ground Tackle	2x CQR 100m Chain (new)
Anchor winch or capstan	Anchor mate, rope / chain
