1995 Icarus Power Catamaran

Price \$250,000

Some vessels look impressive at the dock.
Others prove themselves where it counts.
Spirit has already done both.

Built in 1995 by Catamaran Enterprises Ltd, *Spirit* is a 14-metre Icarus power catamaran designed from the outset for **serious commercial and adventure operations**. This is not a lightly built pleasure craft dressed up for work — this is a **proven platform**, purpose-built to carry people, equipment, and responsibility safely and efficiently.

Formerly operating as a **Diamond Harbour ferry and mussel farm tour vessel**, *Spirit* has spent her working life doing exactly what she was designed to do: run reliably, economically, and safely in real conditions. Her **catamaran hull form delivers exceptional stability**, making her ideal for passenger transport, tourism, diving, marine operations, or any application where deck space and confidence underfoot matter.

On deck, *Spirit* offers **huge usable space**, excellent load-carrying ability, and extensive storage — a blank canvas ready to be configured for your specific operation. Below the waterline, she's driven by **robust John Deere diesel power**, renowned for reliability, efficiency, and ease of servicing. Add **watertight compartments and commercial-grade safety systems**, and you have a vessel that inspires confidence for operators, crew, and passengers alike.

Whether your vision is:

- A **commercial tourism or charter vessel**
- An **adventure or dive platform**
- A **private long-range cruiser**
- Or a **serious commercial workboat**

Spirit is ready — and already approved by experience.

Opportunities like this do not wait.

A proven 14-metre commercial-grade power catamaran with this pedigree, versatility, and capability is a rare find in today's market.

 **If you are serious about owning a vessel that can work, earn, and adventure from day one, contact us immediately.** *Spirit* is ready for her next chapter — and it won't stay available for long.

DESCRIPTION

VESSEL MAKE AND MODEL: Icarus Power Catamaran

LENGTH OVERALL: 14m

BEAM: 4m

DRAFT:1.3m

TOTAL NUMBER OF BERTHS: Currently set up for passengers but would make a wonderful floating home.

DESIGNER: Catamaran Enterprises Ltd

BUILDER: Catamaran Enterprises Ltd

YEAR LAUNCHED: 1995

LAST REFIT: Ongoing Maintenance

MOORING/MARINA BERTH INCLUDED: No

ENGINE MAKE: Twin John Deere 150Kw. 6 cylinders. 6.8litre. Twin Turbo-charged Model 6068TFM – Mechanically controlled.

ENGINE HORSEPOWER: 200HP each engine

ENGINE HOURS: Port – 2929 STBD - 11203

ENGINE COOLING: Fresh Water via heat exchange

FUEL TYPE: Diesel

FUEL CAPACITY: 900L in 2 x 450Ltr tanks

CRUISING SPEED: 15-16knot

MAX SPEED: 21 knots

ESTIMATED RANGE: Uses approximately 12ltrs per hour each engine at cruising speed (24ltrs per hour total)

TRANSMISSION: SHAFT Gearboxes - Twin Disk 5085 Ratio:2.33:1

PROPELLOR: 4 Bladed counter rotating, outward keyed to the shafts

HULL MATERIAL: GRP/Composite

CONSTRUCTION: GRP/Composite

ELECTRICS: 12V DC

ELECTRONICS AND NAVIGATION: Simrad GO9 XSE, Radar,

ENTERTAINMENT: Yoga PA system- front and back speakers outside 1 inside, fusion headset

COMMUNICATIONS: VHF - Lowrance Link - 5

WATER CAPACITY: 200ltrs

WATER SYSTEM: LPG pressure hot/cold water to windscreen wiper, main tap in galley, toilet wash basin

ACCOMMODATION: Currently set up for passengers

HEADROOM: approximately 6.3ft

HEAD: 1 Toilet with 1 x holding tank 200L

SHOWER: No
