SOUVENIR

1989 Bill Travis Custom 10.7m

Classic Kiwi Craftsmanship • Economical Coastal Cruiser • Built for Comfortable Weekends Away

---

A Thoughtfully Designed New Zealand Cruiser

Presenting **Souvenir**, a beautifully conceived Bill Travis custom-built yacht that successfully combines the finest ideas from a variety of proven cruising designs into one remarkably practical and well-balanced package.

Built with simplicity, strength and ease of ownership firmly in mind, Souvenir offers the ideal platform for sailors seeking an affordable, capable coastal cruiser that is equally at home enjoying relaxed weekends away, extended summer holidays or peaceful evenings at anchor.

Her handsome lines are complemented by a sleek hard dodger that provides excellent protection from the elements without sacrificing visibility. Large windows create a bright, sheltered cockpit, allowing the crew to remain comfortable while maintaining excellent all-round vision underway.

One particularly impressive feature seldom found aboard yachts of this size is the thoughtfully designed walk-through transom leading directly onto a generously sized duckboard. Boarding from the marina, dinghy or water is remarkably easy, making Souvenir exceptionally practical for families, older sailors or anyone who appreciates convenient access aboard.

Designed for Relaxed Cruising

Below decks, Souvenir has been configured as a genuine coastal cruiser rather than simply a weekend yacht.

Comfortable accommodation for up to four people, generous refrigeration, a practical galley and sensible storage make spending several days aboard an enjoyable experience. Approximately 1.8 metres of headroom throughout the cabin provides a surprisingly spacious feel, while thoughtful touches including reading lights help create a welcoming atmosphere below.

The galley is equipped with:

- Two-burner stove
- Oven and grill
- Stainless steel sink
- Approximately 40-litre 12-volt refrigerator
- Basic galley equipment included

Whether enjoying breakfast at anchor or preparing dinner after a day's sailing, everything required is already aboard.

Reliable & Exceptionally Economical Power

Power comes from the highly regarded **43hp Volvo Penta 2003T diesel**, one of the most respected auxiliary marine engines ever produced.

With approximately 800 engine hours, this engine offers dependable performance together with remarkably low operating costs. Cruising comfortably at around 7.5 knots while consuming only an estimated **1.6–1.9 litres per hour**, Souvenir delivers outstanding fuel economy and an impressive, estimated motoring range of approximately **400 nautical miles** from her 100-litre fuel capacity.

Engine specifications include:

- Volvo Penta 2003T 43hp diesel
- PRM mechanical gearbox
- Three-blade fixed bronze propeller
- Raw water cooling via heat exchanger
- Approximate maximum speed of 9 knots

Recent Improvements

Souvenir benefited from a significant refit during 2014 which included:

- Mast stepped and serviced
- Structural joins repaired and refreshed
- Rigging refreshed
- Complete exterior repaint

Additional recent improvements include new battery and windlass switches, helping ensure reliable operation.

Ready to Sail

The sailing inventory offers everything required to head cruising immediately.

Included aboard are:

- Good condition mainsail
- Three genoas
- MPS (Multi-Purpose Spinnaker)
- Windex wind indicator
- Stainless standing rigging in good visual condition

Winches comprise:

- Two Maxwell 22 cockpit sheet winches
- Murray halyard winch mounted on the mast

Ground Tackle & Equipment

Anchoring is made easy with quality equipment including:

- 30lb Manson anchor
- 30 metres of 6mm chain
- Nisson anchor windlass

Other onboard equipment includes:

- VHF radio
- Depth sounder
- Navigation and steaming lights
- Stereo
- Two 88-litre freshwater tanks
- Manual freshwater system
- Cassette toilet setup
- Lifejackets
- Flares
- Fire extinguisher
- Basic galley inventory

Construction

Built by respected New Zealand boatbuilder **Bill Travis**, Souvenir showcases traditional Kiwi craftsmanship.

Her plywood construction over substantial frames and stringers have been fully glassed over, combining the warmth and strength of timber construction with the durability and reduced maintenance benefits of a fibreglass exterior.
Specifications
Builder: Bill Travis
Designer: Bill Travis
Launch Year: Approximately 1989
Length Overall: 10.7 metres
Beam: Approximately 3.5 metres
Draft: 1.4 metres
Construction: Glassed plywood over frames and stringers
Hull Material: GOP (Glassed Over Plywood)
Berths: 4
Headroom: Approximately 1.8 metres

The Opportunity

Souvenir represents exceptional value for anyone looking to step into comfortable coastal cruising without the complexity or expense associated with larger yachts.

Simple to maintain, economical to operate and thoughtfully designed for practical family boating, she is equally suited to experienced sailors seeking an uncomplicated cruiser or newcomers wanting a capable yacht that's ready to enjoy immediately.

With her clever design, dependable Volvo diesel, practical accommodation and classic New Zealand craftsmanship, Souvenir truly is a yacht that invites you to simply cast off the lines and head for your favourite anchorage.

Step aboard Souvenir and discover just how enjoyable uncomplicated cruising can be.
