

## LNM 43 - Ultimate Ocean Cruiser

Price: \$195,000

### Description

The ultimate offshore cruising boat, perfect for couple or small family. SEQUOIA just arrived at Bay of Islands from Fiji, now available for viewing. This boat is fast, safe, comfortable & has been an absolute dream boat to sail/own. Easy to handle, it is setup for single handing. This is a proven blue water capable vessel but also great for simply cruising around the fantastic NZ coast. The owners would often leave Gulf Harbour after breakfast & arrive at Great Barrier for lunch.

All taxes paid in NZ

Length: 13,80m (45'6"), LWL13m, LOA14.5m

Beam: 4.12m

Draft: 1.5/2.8m (vertical lifting keel with lead bulb)

Headroom: 2.10 m including bathroom.

Hull material: Fiberglass / epoxy / Birch airplan plywood / carbon fibre. With 60 degrees post cure

Ready to sail weight: 7.8T & 9.1T max load

Engine: SEENERGIE 50 hp, 2690 engine hours, made from PEUGEOT XUD 50+ SEENERGIE <http://www.moteur-seenergie.fr/>

Built under CE certification by IMCI to Cat A (highest offshore seaworthiness rating)

Some unique features:

Lifting bulb keel. Gives you the best access to any anchorage whilst still getting the sailing performance of having the deepest bulb keel around

10m<sup>3</sup> of closed cell foam in sealed compartments means the hull will not sink if filled with water

Truly off grid living meeting all the energy requirements with the new solar config. No need for generator, no need to run the engine for battery charging. Runs the water maker or washing machine on batteries/solar

Website of SEQUOIA made by previous owner giving an excellent description and details of the vessel:

<https://sequoia-lnm43-fastcruising.jimdofree.com/>

Upgrades from the equipment listed on the website include:
