

1993 Pedrick 40

Price: \$97,000

This Sirena Pedrick 40 was built in Finland by Lito Marin shipyard (SWAN) from the drawing board of David Pedrick, famous for the America One project. These vessels were all semi-custom builds, from a country that gave us Swan and X-yachts. The Pedrick 40 is very comfortable and can easily accommodate up to 6 in her spacious 2 cabin plus saloon layout. But the true magic of the Sirena Pedrick 40 reveals itself when you hoist the sails and feel the power of the ocean beneath you. Engineered by David Pedrick for superior performance, this sailboat effortlessly cuts through the water with grace and agility, offering a smooth and exhilarating ride in any conditions.

Description

LOA: 12.20m

LWL: 9.50m

Beam: 3.75m

Draft: 2.1m

Berths total: 6

Designer: David Pedrick

Builder: Sirena Yachts Finland

Launched: 1993

Mooring included: Gulf Harbour Berth can be rented.
