Experience the Perfect Blend of Performance and Comfort – 1992 Mariner 28 Flybridge

Looking for the ideal balance between practicality, performance, and style? This 1992 Mariner 28 Flybridge is the perfect vessel for cruising, fishing, and weekend adventures. Designed with both comfort and capability in mind, she offers a smooth ride, efficient performance, and a well-thought-out layout to maximize your time on the water. Equipped with a reliable 240HP Yanmar diesel engine, this Mariner 28 delivers a cruising speed of 13 knots and can push up to 20 knots when you need that extra burst of power. Whether you're heading offshore for a fishing trip or exploring coastal waters, you'll appreciate her fuel efficiency and responsive handling. Take command from the elevated flybridge, offering excellent visibility, comfortable seating, and an intuitive helm station. Whether you're navigating tight marinas or scanning the horizon for the next fishing hotspot, the flybridge provides the perfect vantage point. Step inside, and you'll find a well-appointed cabin, perfect for weekend getaways or extended stays aboard. The saloon offers ample seating, a practical galley, and a cozy dinette. A private forward cabin ensures restful nights, while the enclosed head with shower adds convenience for longer trips. The spacious cockpit is ideal for fishing, entertaining, or simply soaking up the sun. With plenty of storage, rod holders, and an easy-access swim platform, this Mariner 28 is built to handle whatever adventure you have in mind. Whether you're an avid angler, a weekend cruiser, or looking for a reliable and stylish family boat, this Mariner 28 Flybridge checks all the boxes. Don't miss out.
