Experience Classic Excellence: The 1947 Lidgard Sedan “MAHARATIA”

Step aboard Maharatia, a beautifully maintained 52ft Vessel built by legendary New Zealand boatbuilder Roy Lidgard. With her graceful lines, spacious interior, and rugged capability, Maharatia is a rare blend of classic elegance and modern functionality. Extensively refurbished in 2020 with a meticulous eye, she was crafted into better than new condition. Powered by the legendary rolls Royce of marine engines twin 6LX Gardner's.

Maharatia's humble beginnings as a family boat at Kawau island is just part of her legacy, and she has proven herself in many different roles around NZ winning the hearts and respect of all those who have been aboard her. She truly is the epitome of a NZ designed and built vessel.

Ready for serious coastal cruising, liveaboard life, or simply turning heads wherever she goes.

She boasts exceptional fuel efficiency at 1.3ltrs per nautical mile, and with a large fuel capacity of 1,760ltrs giving her an impressive range of approximately 1,353 Nautical Miles.

2,000ltrs of fresh water also adds to her cruising or liveaboard lifestyle. Maharatia has 7 berths, two comfortable heads (one with shower), and spacious living areas.

Whether you're after a classic liveaboard, a coastal cruiser, or a piece of New Zealand boating history, Maharatia delivers unmatched character, reliability, and comfort. She's more than a boat — she's a legacy.
