2015 16m McMillan Centre Cockpit Sloop

Price: \$160,000

16m McMillan Centre Cockpit – Offshore Capability, Ready for Completion

Presenting a rare and compelling opportunity to secure a substantial offshore cruising yacht at an advanced stage of construction. This **16m McMillan Centre Cockpit**, launched in 2015, offers serious bluewater pedigree combined with the ability for her next owner to complete and personalise to their exact specifications. Designed and built by **N.W. McMillan**, this round bilge, fin keel yacht showcases traditional craftsmanship with **triple diagonal Kahikatea construction**, fully glassed over for strength, durability, and long-term reliability. Her solid structure and proven design provide an exceptional platform for extended offshore cruising.

Powered by a **110hp Yanmar 4JH4-HTE turbo diesel** (new in 2014) with very low hours, she delivers dependable auxiliary performance, cruising comfortably at 6 knots and capable of reaching 9 knots under power. A **ZF shaft drive** paired with a **Bryford self-pitching propeller** ensures efficient propulsion and ease of handling.

Rigged for a **Young 43 configuration**, the chainplates are already in place, and **Parker Marine Group can assist with sourcing and completing the rig**, making the final stages of fit-out straightforward for the right buyer.

Spacious, Practical, and Designed for Living Aboard

Step inside and you'll find a thoughtfully laid-out interior designed for comfort at sea and at anchor:

- Accommodation for up to **10 berths**
- **Two heads**, each with showers and Lectrascan treatment systems
- A large, welcoming **saloon with easy access to the centre cockpit**
- Generous **aft cabin with transom door to sugar scoop**, offering effortless boarding and water access
- Forward cabin with versatile berth arrangements for family or crew
- Additional **midship and passage berths** for extended cruising capability

Storage is abundant throughout, complemented by the inclusion of a **dedicated onboard workshop**—a valuable feature for serious cruisers undertaking long passages.

Well-Equipped Foundations

This vessel comes with a strong inventory already in place, including:

- **Electric Lewmar 54 self-tailing winches (x4)**
- **Maxwell horizontal anchor winch**, 50kg anchor, and 70m of chain
- **Garmin chart plotter and depth sounder**
- **VHF communications**
- **Sinergex 1500 inverter and 12V electrical system**
- **4-burner galley with grill and oven**, plus fridge/freezer
- **3m inflatable dinghy with 6hp Mercury outboard**

With **2000L fuel capacity**, substantial water storage, and key onboard systems already installed, much of the heavy lifting has been done.

The Opportunity

Opportunities like this are increasingly rare—a **large, capable offshore yacht with excellent bones**, modern engine, and major systems in place, ready for completion to your own taste and cruising ambitions.

Whether you're planning extended coastal cruising, Pacific adventures, or a liveaboard lifestyle, this McMillan 16m represents **exceptional value and potential** in today's market.

A **transferable berth is included**, adding further appeal and convenience.
