## PEGASUS

This 1977 11m Salthouse-Commercial vessel is in tidy condition with a covered cockpit area to keep out of the New Zealand sun. She has a solid fiberglass hull and has saloon helm controls.

The cockpit is a large and open workspace or fishing area which would make her a great day charter/fishing vessel with overnight potential also. Powered by a 330hp Cummins 6BT she cruises at 15 knots and tops out at 20 knots.

Currently in Survey with ABLE SHIPS to 2028 and her Maritime Transport Operator Certificate (MTOC) is valid to 2035.
