

9.5m Allan Williams Sedan

Price: \$35,000

Look at this wonderful vessel!! She may be small, but she will troll all day at 7 knots and use just 3ltrs of fuel doing it. Not only is she fuel efficient, but this little lady actually pulls fish, and she has had many a sport fish onboard. If you are looking for a seaworthy little ship with the confidence of a much bigger vessel, then look no further, you will not buy a better, more cost-effective Sport fisher anywhere in New Zealand.
