MARINE BROKERS

Part of the Parker Marine Group of Companies

2009 Conraad 925 Sport Fisher

Price: \$205,000

JayKay is a beautifully presented and highly capable 2009 Conraad 925 Sport Fisher, designed for those wanting a vessel that can comfortably combine **fishing, cruising, family boating and entertaining**. Built by **Metal Works Innovation in Mount Maunganui**, the vessel has been constructed from heavy-duty **5083 marine-grade aluminium**, giving her the strength and durability expected of a serious New Zealand-built sport fisher. At 9.5 metres overall, the Conraad 925 offers an impressive amount of usable space. The enclosed hardtop cabin provides protection and comfort, while the walk-around side decks make moving around the vessel safe and practical. A generous open cockpit provides an excellent fishing and entertaining area, with an extended rear awning offering additional shelter.

Inside, **JayKay** provides comfortable accommodation, a galley with **three-burner gas hob, grill and oven**, a **130-litre electric refrigerator**, freezer, head and shower.

Powered by a **370hp Cummins MerCruiser QSD 4.2-litre diesel** with approximately **1,200 hours**, coupled to a **Bravo 3 stern leg**, she offers strong performance with a reported cruising speed of approximately **20–25 knots**.

The vessel is well equipped electronically, including **Garmin GPS, Ritchie compass and Simrad radar/sounder equipment with a 36 nautical mile radar dome and transducer**.

The package is further enhanced by a substantial **triple-axle trailer**, weighing approximately **4.8 tonnes fully loaded**, with electric brakes, stainless brake pads and rotors, and a professionally installed **4 x 4 electric winch with wireless controller**.

JayKay represents a versatile and capable package for cruising, fishing and family adventures. She is turnkey ready for her next owner.

WHY JAYKAY?

Heavy-duty construction. Serious power. Excellent versatility.

The Conraad 925 is the sort of vessel that makes sense for an owner who wants **one boat capable of doing many things well.**

She has the rugged aluminium construction for serious New Zealand boating, the speed and power to cover distance efficiently, an enclosed cabin for protection, genuine accommodation for extended trips, and a large cockpit that lends itself perfectly to fishing, diving, entertaining or simply enjoying a day on the water.

With a **370hp Cummins MerCruiser diesel, approximately 1,200 hours, 500 litres of fuel, Simrad electronics, Fusion audio, galley, head, shower and a substantial triple-axle trailer, JayKay is a very comprehensive package.**

Recently serviced and turnkey ready — she is ready for her next adventure.
