

1999 Bayliner 4788

\$349,000

Takapu is a luxury cruising and liveaboard Pilot House Launch. Retiring owners purchased her in the Marlborough Sounds and bought her to the North Island as their first passage making adventure. Since then, they have spent the last three years extensively cruising North Island's upper half in complete comfort and safety. The Bayliner Motor Yacht series blend long range at displacement speeds and the option to hightail it when the need calls. Takapu also sports the most powerful engine option offered, with 2 x Cummins 370hp engines. Comfort aboard continues with Diesel genset, 455w solar, Inverters for silent ship running, Diesel fired ducted heating, inbuilt electrical heating, Air conditioning, 2 bathrooms (Ensuite off master cabin has bath), 3 private cabins and lots more. Takapu was antifouled and engines service in Feb 2025. She is ready for cruising this summer at short notice.

Can you imagine taking the wheel of this fine launch and making your own adventures. Twin engine manoeuvrability with a bow thruster as well, to satisfy even the most seasoned skipper. Check her specifications or better still come view her with Sole Agent Ian Duncan 021 121 9524 [ian@parkermarinegroup.co.nz](mailto:ian@parkermarinegroup.co.nz) Prepare to be impressed!!

### **Description**

VESSEL MAKE AND MODEL: Bayliner 4788, Raised pilothouse, Motor yacht

LENGTH OVERALL: 15.85m

BEAM: 4.55m

DRAFT: 1.1m

Displacement 14,500kg

TOTAL NUMBER OF BERTHS: 6

DESIGNER: Bayliner

YEAR LAUNCHED: 1999

LAST REFIT: Engines serviced 3219 Hrs Incl anodes. Antifouled Feb 2025

MOORING/MARINA BERTH INCLUDED: Option to rent berth from Boat yard subject to availability

ENGINE MAKE & MODEL: Cummins 6-cylinder Turbo, intercooled

ENGINE HORSEPOWER: 2 x 370 HP

ENGINE HOURS: Port 3275 hrs. Starboard 3275 hrs.

ENGINE COOLING: Heat exchangers

FUEL TYPE: Diesel

FUEL CAPACITY: Port 760 litres, Starboard 760 litres

CRUISING SPEED UNDER POWER: 8 to 15 Knots  
MAX SPEED UNDER POWER: 18 + Knots  
ESTIMATED CRUISING RANGE: 690 Nm@7.5kn  
TRANSMISSION: SHAFT 50mm  
PROPELLOR/S: Bronze 4 Blade  
STEERING: Morse, hydraulic, twin station  
ENGINE SYCRONIZATION: Glendinning  
BOWTHRUSTER: Maxpower CT220  
HULL MATERIAL: GRP  
ELECTRICS: House batteries 12V system 440Amp Hrs (2023) Separate start engines Port and Stb July2022  
Separate Genset start Battery July 2022 Bowthruster standalone Twin Batteries July2022 Solar panel 455W  
Victron MPPT 150/70-TR Controller/ May 2023 Inverter CombiMaster 12V/1500W 60A 120V Mastervolt 2023  
Inverter Mastervolt 12V2500W-230V, 2023  
ELECTRONICS AND NAVIGATION: Axiom plus 12 Chartplotter, 3DFishfinder/ Depth sounder RADAR Quantum  
R/T Raytheon. Autopilot Ray Pilot650  
ENTERTAINMENT: TV – Veon. Stereo JVCKD-T912BT Salon and flybridge. USB Charging ports throughout vessel  
Colored underwater lights at transom  
WATER CAPACITY: Two tanks 760 litres total  
WATER SYSTEM: H/W system – engine heat exchanger, electric  
ACCOMMODATION: 3 cabins  
HEADROOM: 1.95m
