

1990 11m Trojan Bertram

\$180,000

El Camino

Discover the perfect blend of rugged fishing capability and family-friendly comfort with this gorgeous Trojan Bertram. Featuring a well laid out fully equipped interior, El Camino has the feeling of a much larger vessel. Overnight stays and extended long range fishing trips are the forte of this vessel, with enough room for all the family & crew. El Camino is no stranger to the deep water as she has made many trips ex Whangaroa to the Three Kings and has many more in her. Powered by twin 300hp Detroit Fuel pincher diesels driving through hydraulic gearboxes and shafts, with two Helm stations, El Camino has been set up as a serious fishing machine. She is fully game rigged and ready and is very capable of backing down on any gamefish with confidence! If you're in the market for a capable vessel with proven offshore and game fishing performance, then El Camino is a must view!
