2021 Buccaneer 635

Price \$139,000

JUST LISTED – ACT FAST

This **2021 Buccaneer 635** is as close to new as it gets, powered by a **200hp Yamaha outboard with only 29 hours** on the clock. Not 290. **Twenty-nine.** This is a serious performance package that has barely been run in — and it shows.

The Buccaneer 635 is one of New Zealand's most respected trailer boats, renowned for its **legendary hull design**, soft riding performance, and absolute confidence in rough water. Whether you're charging wide for gamefish, cruising the coast with family, or launching for a dawn mission before work, this boat delivers **speed, safety, and control in equal measure.**

Matched perfectly to the hull, the **200hp Yamaha** offers explosive acceleration, effortless cruising, and bulletproof reliability. With so few hours, you're effectively buying **years of trouble-free boating** from day one — without the new-boat price tag or wait times.

This is not a tired, high-hour example.

This is not a compromise.

This is a **turn-key, premium rig** ready to go **right now.**
