

## 1989 Genesis 33

\$86,000

### 1989 Genesis 33 Flybridge Launch – Performance, Comfort, and Classic Kiwi Craftsmanship

Step aboard this 1989 Genesis 33 Flybridge and experience the perfect blend of timeless design and modern performance. Powered by a 315hp Yanmar diesel, she cruises effortlessly at 18 knots—ideal for comfortable passage making—and when it's time to head home, she can push up to 26 knots and fly across the water.

From her elevated flybridge helm, you'll enjoy commanding visibility and easy handling, whether you're navigating a tricky inlet or enjoying a slow scenic cruise. Below, her thoughtfully laid out interior offers all the comforts for extended weekends on the water—saloon seating, a functional galley, and cozy berths that make her feel like a true home away from home. With the proven Kiwi build quality Genesis is known for, she's as tough as they come, making her equally at ease hosting friends at anchor or handling the open sea. If you're after a launch that offers speed, comfort, and reliability, this Genesis 33 delivers in every way. Arrange your viewing today—boats of this pedigree don't stay on the market for long. Contact Ian Duncan on 0211219524 or email [ian@parkermarinegroup.co.nz](mailto:ian@parkermarinegroup.co.nz) for further information.

**Description**

LOA: 37"

LWL: 32"

Beam: 3.7m

Draft: 1.0m

Berths total: 6

Designer: Genesis

Builder: Pollock/Grange

Launched: 1989

Last Refit: 2019
