KOKOMO

1997 CARVER 320

A Beautifully Presented, Exceptionally Well-Maintained Carver 320

PRICE: \$145,000

Kokomo is a particularly well-presented example of the popular **Carver 320**, offering the ideal combination of comfortable cruising, generous accommodation and dependable twin-diesel performance.

This 1997 Carver has been exceptionally well cared for by her current owner, who has invested considerable time and money preparing her for her next owner. She has been professionally serviced and maintained, with a significant list of recent upgrades and improvements.

Importantly, the owner has also arranged an **independent pre-purchase survey**, giving prospective purchasers additional confidence in the vessel’s condition and provenance.

Powered by **twin 230hp Volvo Penta KAMD42 diesels**, driving through Volvo V-drive transmissions and four-blade Briski propellers, Kokomo cruises comfortably at approximately **15 knots**, with a maximum speed of around **24 knots**. A **bow thruster installed in 2025** makes manoeuvring in confined spaces considerably easier. Her enclosed flybridge provides a superb elevated helm position and additional entertaining space, while the generous interior offers **three double sleeping cabins**, a separate head with hot shower and a practical galley. Kokomo has been prepared for sale to an exceptionally high standard, including:

- **New antifoul and Prop Speed**
- **New anodes**
- **Full hull polish – July 2026**
- **New Maxwell RC10W10 anchor windlass – 2025**
- **50m of new 10mm anchor chain – 2025**
- **New Lowrance radar – 2025**
- **New Lowrance depth sounder – 2025**
- **New house and start batteries – 2026**
- **Victron 240V charging system – 2026**
- **Ocean Signal EPIRB – 2025**
- **Bow thruster – 2025**
- **Flybridge/cockpit canvas replaced 2024/2025**
- **Engines serviced with coolant and fuel hoses replaced**
- **New starboard fuel pump**
- **New starboard V-drive**
- **Port V-drive rebuilt in 2018**
- **Fuel tanks removed, cleaned and inspected, with a minor repair completed**

Kokomo is ready to go cruising.

VESSEL SPECIFICATIONS

Specification	Details
Make / Model	Carver 320
Name	Kokomo
Year	1997
Designer	Carver Yachts USA
Builder	Carver Yachts USA
Construction	Moulded GRP
Hull Material	GRP
LOA	11.0m
LWL	10.0m
Beam	3.9m
Draft	1.2m
Berths	3 double berths
Sleeping Cabins	3
Headroom	190cm
Heads	1
Mooring	Not included
Asking Price	\$145,000

ENGINES & PERFORMANCE

Kokomo is powered by a proven pair of **Volvo Penta KAMD42** turbocharged diesel engines, each producing **230hp**.

Engine Specification	Details
Engines	Twin Volvo Penta KAMD42
Power	230hp each
Total Power	460hp
Fuel	Diesel
Cooling	Raw-water heat exchangers
Transmissions	Volvo V-drive
Propellers	4-blade Briski
Fuel Capacity	700 litres
Cruising Speed	Approx. 15 knots
Maximum Speed	Approx. 24 knots
Bow Thruster	Yes – installed 2025

The engines have been professionally serviced, with **coolant and fuel hoses removed and replaced**. A new **starboard fuel pump** has also been fitted, while the starboard V-drive is new. The port V-drive was rebuilt in 2018.

The fuel tanks have been removed, cleaned and inspected, with a small repair completed.

ELECTRICAL & ELECTRONICS

Kokomo has benefited from significant recent investment in her electrical and navigation systems.

Electrical

- 12V and 240V systems
- **Victron charging system – 2026**
- **New house battery – 2026**
- **New start battery – 2026**

Navigation & Electronics

- **Lowrance radar – 2025**
- **Lowrance depth sounder – 2025**
- 2 x Uniden VHF radios
- Blaupunkt Toronto 400 BT stereo

The combination of modern electronics and updated electrical systems makes Kokomo particularly well suited to extended coastal cruising.

ACCOMMODATION

The Carver 320's spacious interior provides considerably more accommodation than her compact external dimensions might suggest.

Kokomo features **three sleeping cabins with three double berths**, providing comfortable accommodation for family cruising or extended stays aboard.

There is approximately **190cm of headroom**, contributing to a surprisingly spacious interior.

Head & Shower

- 1 x marine head
- Hot and cold pressure water
- Separate hot shower
- 40-litre hot water cylinder

- Hot water supplied by **240V and engine heating**

GALLEY

The galley is practical and uncomplicated, providing everything required for comfortable cruising.

- Stainless/small sink
- Pressure hot and cold water
- Camping-style cooker
- **178-litre Norcold 12V refrigerator**
- Norcold 12V freezer

With generous refrigeration capacity and hot and cold running water, the galley is well suited to weekends aboard or longer cruising adventures.

FRESH WATER

System	Details
Water Capacity	210 litres
Water System	Pressurised hot & cold
Hot Water	40L cylinder
Heating	240V and engine

GROUND TACKLE

Kokomo has received substantial attention in this area, with new ground tackle installed in 2025.

- **50m of 10mm anchor chain**
- Chain marked every 10m
- **Maxwell RC10W10 electric windlass – 2025**
- New anchor equipment
- New anodes
- **Prop Speed applied**
- **New antifoul applied**

The chain and windlass upgrade provides peace of mind when anchoring in unfamiliar waters.

SAFETY EQUIPMENT

- **Ocean Signal EPIRB – 2025**
- 5 x life jackets
- Flare pack – 2017
- 1 x fire extinguisher
- 1 x lifering

CANVAS & EXTERIOR

Kokomo's exterior presentation has also received considerable attention.

Her **flybridge/cockpit canvas has been renewed**, with the flybridge cockpit cover replaced in 2025 and canvas work completed in 2024/2025.

The hull has been professionally prepared for sale, including:

- **New antifoul**
- **New Prop Speed**

- **New anodes**
- **Full hull polish completed 20 July 2026**

This work ensures Kokomo presents extremely well both in the marina and underway.

RECENT MAINTENANCE & UPGRADES

2026

- Victron 240V charging system
- New house battery
- New start battery
- New antifoul
- New Prop Speed
- New anodes
- Full hull polish – 20 July 2026
- Engine servicing
- Coolant hoses replaced
- Fuel hoses replaced

2025

- Bow thruster installed
- Lowrance radar
- Lowrance depth sounder
- Maxwell RC10W10 anchor windlass
- 50m of 10mm marked anchor chain
- Ocean Signal EPIRB
- New starboard fuel pump
- New starboard V-drive
- Flybridge cockpit canvas

Earlier Maintenance

- Port V-drive rebuilt – 2018
 - Fuel tanks removed, cleaned and inspected
 - Minor fuel tank repair completed
-

WHY KOKOMO?

Kokomo represents an opportunity to purchase a Carver 320 that has been conscientiously maintained and significantly upgraded by an owner who has clearly cared about her condition.

She offers the comfort and practicality for which Carver is renowned, combined with the performance of twin Volvo diesel engines, the convenience of a bow thruster and the added benefit of an enclosed flybridge.

Perhaps most importantly, the current owner has done much of the work that prospective purchasers would normally be faced with after purchase.

With **new antifoul, Prop Speed, anodes, polished hull, new ground tackle, new electronics, updated batteries and charging, recent engine work and new canvas**, Kokomo is presented as a vessel that is **ready for her next adventure**.

An **independent pre-purchase survey has already been arranged by the owner**, further demonstrating the confidence placed in this vessel.
